

SOOTHER[®]

TOPICAL SPRAY

USE TOPICALLY FOR

- Skin allergies
- Minor lesions
- Dermatitis
- Superficial itching
- Broad-surface area irritation
- Urine scald
- Mange
- Polyfolliculitis
- Self-mutilation cases, such as feather picking

BENEFITS

- May provide soothing relief for skin inflammation, topical irritation and soreness.
- Promotes healing of sensitive skin and superficial lesions often noted in early self-mutilation cases.
- May provide topical relief and healing for skin allergies, urine scald, mange, dermatitis, polyfolliculitis, small cuts, bruises and minor injuries.
- Employs transdermal technology for efficacy of topical application.
- Is safe and effective for all species (dogs, cats, other mammals, birds, reptiles).

INGREDIENTS

Distilled water, active aloe vera distillate and a patented quaternary ammonium solution for analgesia

DIRECTIONS

- Hold several inches from the affected area and apply a mist.
 - Spray animal several times a day or as directed by your veterinarian.
 - Rinse affected area with warm water every 7-10 days if buildup occurs.
 - Discontinue use if redness or irritation occurs.
 - Do not use with other topical or occlusive products.
 - Soother Spray® is most beneficial when used in conjunction with Booster.
 - Do not use in eyes.
- **Training video:** Scan the QR code to see the 2-3-minute training video.

QUALITY ASSURANCE

Soother Spray® is hand-crafted in small batches to ensure the best quality possible.
